STATE IMMUNIZATION REQUIREMENTS

All students of all grade levels must have a required and current immunization record or a state approved exemption form on file with the school **prior** to their admission to school.

EXISTING LAW: 70 O.S. 2011, Section 1210.191 A (this section did not change)

No minor child **shall be admitted** to any public, private, or parochial school operating in this state **unless and until certification is presented** to the appropriate school authorities from a licensed physician, or authorized representative of the State Department of Health, **that such child has received or is in the process of receiving immunizations** against diphtheria, pertussis, tetanus, haemophilus influenzae type B (HIB), measles (rubeola), rubella, poliomyelitis, varicella, and hepatitis A or is likely to be immune as a result of the disease.

NEW SECTION: 70 O.S. 2011, Section 1210.191 E (this section is NEW)

The State Department of Education shall provide and ensure that each school district in this state provides, on the school district website and in any notice or publication provided to parents regarding immunization requests, the following information regarding immunization requirements for school attendance: "For school enrollment, a parent or guardian shall provide one of the following:

1. Current, up-to-date immunization records; or
2. A completed and signed exemption form."

Sincerely,

Joe McElroy
Superintendent
